

Traded, paraded and smuggled, the silk from mulberry seeds and silk worms has always been precious and coveted. Romantic and daring stories about keeping the secrets of silk in China entertain. How clever some of the smugglers were, having been seduced by silk's allure. All the way back to Roman times, ruling families were anxious to attire themselves in silk. Meditation shawls and silken robes are still popular for ceremonial use; a material much revered. This heavy silk wallcovering with shining strands is splendid. Nine silken stripes - **Shanghai** offers a coordinating option.
