

Bugle beads have been the province of legendary couture designers such as Chanel, Balenciaga and Adrian. The small glittering cylinders of glass have been used to embellish the clothes of fashionistas as far back as the Egyptians. Who can forget Adrian’s gown for Joan Crawford completely covered with red bugle beads? Now the extravagance and glamour of bugle beads has been interpreted by Evans & Brown into a wallcovering that achieves a unique star quality all its own.

	US UNITS	METRIC UNITS
